

INTERNET ACCESS CONDUCT AGREEMENT

Every student, regardless of age, must read and sign below:

By signing on to the Lame Deer Network you acknowledge that you:

Understand the rules and regulations of the Lame Deer Acceptable Use Policy.

Any user who does not comply with the Rules/Code of Ethics for Computer Users stands to lose computer privileges for two weeks (1st Offense) and the Remainder of the Year (2nd Offense). Offenses will be documented and filed with the Technology Coordinator by the supervising teacher. Repeated infractions will result in permanent termination of privileges. Discipline, including suspension or expulsion, also may be imposed on student users in accordance with Lame Deer School District policy. The Technology Committee reserves the right to impose greater penalties for severe 1st or 2nd offenses.

Lame Deer School District’s Technology Coordinator may access others’ files when necessary for the maintenance of the computing facilities. When performing maintenance, however, every effort will be made to insure the privacy of users’ files.

Lame Deer School District and its Technology Committee may modify its Acceptable Use Policy (AUP) and Rules/Code of Ethics for Computer Users as the need arises. Users will be notified of any changes.

This Acceptable Use Policy is approved by the Lame Deer School District Technology Committee and the Board of Trustees. The Lame Deer School District believes that technology is an integral part of today’s workforce and must serve as a fundamental element of the learning environment. This District is committed to promoting lifelong learning skills and developing productive members of society by using technology.

The Lame Deer School District and Technology Committee welcomes input from community members, parents and other staff members.
